# ABOUT US

CORE KNYT is a performance-driven apparel manufacturing company based in Sialkot, Pakistan, specializing in tracksuits, activewear, and gym wear. We combine modern design with precision manufacturing to deliver high-quality garments built for durability, comfort, and style.

Our facility is equipped to handle both small and bulk production, supporting brands from concept to final product. We focus on consistency, clean construction, and premium materials to meet international standards.

CORE KNYT is proudly registered with the Sialkot Chamber of Commerce & Industry (SCCI) and is NTN verified, ensuring credibility and compliance.

We work with startups, fitness brands, and global clients, providing reliable private label manufacturing solutions.

CORE KNYT – Engineered for performance. Built for brands.
